

COSAC Safe2Site Level 1 Health & Safety Training for CSCS Green Card

The RSA have partnered with COSAC to offer Safe2Site Online CSCS training. This is accredited by CITB and endorsed by CSCS. Please note: This course does not include either the CITB HS&E test or the CSCS card application.

THE COURSE

Safe2Site Online CSCS Green Card Course (Level 1 Health and Safety) training is the online CSCS course you need, approved by CITB and CSCS.

To work on construction sites and projects, you'll need the CSCS Green Labourer Card. Before you can apply for your CSCS Card, you'll need to complete the Level 1 Health and Safety in a Construction Environment course like this one.

WHO IS IT AIMED AT?

Course is aimed at those who are looking to start working within a construction site environment. This course can be used as part of the application process for the CSCS Green Card.

KEY DETAILS AT A GLANCE

DURATION

Approximately 3-4 hours of e-learning will be required.

ASSESSMENT

This course is 100% online e-learning based course

CERTIFICATED

You will receive certification that you have successfully completed E-Learning Safe2Site Online CSCS Green Card Course (COSAC). It is equivalent to the Level 1 Award in Health and safety in a construction environment and can be used to support your application for a CSCS labourer card. Certification is valid for five years.
